

Mortim
Building Australia's Future

Values statement

Mortim commits to implement and maintain its Chain of Custody system to provide and maintain certification on our products to Chain of Custody standard FSC-STD-40-004, FSC-STD-40-003, FSC-STD-50-001, and the Responsible Wood Certification Scheme AS4707, Responsible Wood Logo Usage Toolkit, PEFC ST-2002 and PEFC ST-2001.

The values that Mortim commit to are:

- The promotion of the lawful use of forest products.
- Generating consumer confidence in the origin of timber and forest products.
- Ensuring compliance with applicable laws and/or regulations covering environmental impacts.
- Conforming to all relevant workplace health and safety requirements including the International Labour Organisation Declaration on Fundamental Principles and Rights at Work, 1998
- Ensuring continual improvement of the system to support changing market demands, modern practices and technological developments.
- The values as defined in FSC-POL-01-004.
- The core labour requirements as in Annex D. of FSC-STD-40-004 V3-1
- Not to use wood resulting from controversial sources as defined in the AS4707/PEFC ST-2002
